# PROVIDENT

A tall, multi-story building under construction. The building is covered in a dense network of metal scaffolding. The concrete structure is visible, with many rectangular window openings. At the very top of the building, the word "PROVIDENT" is written in large, blue, three-dimensional letters. The sky is a pale, overcast blue.

Internal photos

The background of the entire page is a light blue architectural drawing. It features various geometric shapes, including circles, arcs, and straight lines, some of which are hatched. There are also small circles and dots scattered throughout, suggesting a technical or engineering plan. The drawing is oriented diagonally, with the top-left corner being the most detailed and the bottom-right corner being the least.
