**Bengaluru, March 24, 2023:** Purva Land, the plotted development arm of Puravankara Limited, one of the most admired real estate majors in India, has seen a massive response from consumers to its newly launched Purva Oakshire project, with most plots sold out on the weekend of the launch. The launch event recorded 250+ walk-ins and 100+ Expressions of Interest, demonstrating the project's worthiness, value-driven proposition, and customer trust in brand Puravankara.

Speaking on the occasion, **Abhishek Kapoor, CEO, Puravankara Limited** said, "We are happy to see the enthusiastic response to our latest offering of plotted developments, Purva Oakshire. Spread across 35 acres, this unique development comprises county-themed plots that integrate the regal ambience of Greater London into the contours of North Bengaluru. Our goal with this project is to provide our customers with a unique living experience that combines luxury, comfort, and convenience in a tranquil environment. Our team is committed to delivering a world-class development that will stand the test of time and become a true landmark in the community."

The Oakshire project is an exquisite and thoughtfully planned county-themed residential development, situated in the prime location of Avalahalli road, Rampura in Bengaluru North. It offers easy access to the Bengaluru International Airport and is a 30-35 minute drive from key city hubs like Whitefield, MG road and Hebbal making it a centrally located destination. The project boasts well-designed plots that cater to the diverse needs of homebuyers. The plots range in size from ~1,000 sq ft to 4,500 Sq. Ft. Price starts from Rs. 81+ Lakhs for a 1,000 Sq Ft. plot providing ample space to build a dream home that meets the expectations of every buyer.

This London-inspired property is divided into three prestigious neighbourhoods, namely Mayfair, Kensington, and Paddington, and has more than 6 acres of open green space. The elegant resort, which offers more than 30 amenities, is surrounded by a dazzling array of flora and fauna.
